MEMORANDUM FOR: Chief, Psychological & Paramilitary Staff

**SUBJECT** : Procurement for [REDACTED] 25X1

REFERENCE : Memorandum for SA/PC/DCI, dtd 10 Sept. 1956  
Subject: Program from C/PP 25X1

1. The referenced memorandum requests a itemized list of all airborne and ground support equipment and spares being procured through my office for [redacted] It is my understanding that such a list has been supplied informally to AMD by Mr. [redacted] of my staff. 25X1 25X1

2. I include herewith as a supplement to these lists, a memorandum prepared by him under date of 25 September [redacted]. This itemizes cutbacks to be made in the list previously furnished to AMD. I believe this completes and brings up to date the information requested in the reference.

3. I note your further memorandum to me of 25 September notifying us formally of a reduction in requirements for APQ-56 and Rada equipment for [redacted]. I understand that these reductions are the same ones referred to in [redacted] memorandum. I believe, therefore, that we are now all working to the same list of requirements.
